GILLIE AND MARC'S SIGNATURE BIG 5 WILDLIFE SERIES  
VISITING THE TOP FIVE ANIMAL KINGDOMS ON EARTH

## BIG5 WILDLIFE

Gillie and Marc 'Love The Last March'

Go Golfing has teamed up with one of Australia's most successful conservational artistic duos - **Gillie and Marc** - to offer the signature **BIG5 WILDLIFE** tour series. We're looking to bring people closer to wildlife, help educate our intrepid travellers on the important message of animal conservation and the preservation of precious wildlife habitats.

**Gillie and Marc** are known for their animal, human-animal hybrid and abstract sculptures exhibited around the world. Their mission is to fill the world with inspiring public art that spreads messages of love, equality, conservation and hope.

We've created five individual, unique, luxury wildlife adventures with passionate tour guides to ensure you can explore some of the top five animal kingdoms including **South Africa, SE Asia, South America, Canada and Alaska and Central Africa.**

The **BIG5 WILDLIFE** tour series will raise awareness and profits will go to global wildlife and conservation projects. These bucket list wildlife tours will include special Gillie and Marc tour gifts for each tour region plus a **BIG5 WILDLIFE** art collection.

Our second **BIG 5 Wildlife Tour** – to Southeast Asia (from 13th to 27th May 2023) - will coincide with the unveiling of "**Love The Last March**" sculpture in Singapore. Depicting the greatest animal march on Planet Earth, it aims to bring awareness to the massive rate of wildlife extinction and to help save the animal kingdom. This will be Gillie and Marc's biggest sculpture yet!
