

The background of the entire page is a photograph of the Taj Mahal in Agra, India. The monument is seen through a large, ornate archway made of dark wood or stone, with intricate metalwork on the sides. The archway frames the Taj Mahal perfectly, which is centered in the background. The sky is a pale, hazy blue, and the overall lighting is soft and warm, suggesting a sunrise or sunset. The archway's structure is detailed with multiple layers of arches and decorative elements.
